your Office and the District Excise Offices in the State and that with the limited number of copies now printed Government are unable to accept your suggestion to supply each Range Officer with a copy - Especially as such a step would necessitate a similar supply to Officers of corresponding rank in other departments. It is however considered that no difficulty will be caused thereby as the Range Officers are all located in Taluk Head Quarters and the copies supplied to the Taluk Cutcherry may be referred to by them when necessary without any inconvenience.
